UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

United States of America,

Plaintiff,

v.

Cedric Taylor,

Defendant.

Case No. 2:16-cr-00369-APG-GWF

**Stipulation to Vacate Revocation
Hearing and to Dismiss Petition
and Addendum without
Prejudice**

On November 10, 2020, Cedric Taylor admitted to supervised-release violations as alleged in ECF Nos. 49 and 50 and this Court followed the parties' joint recommendation and modified Taylor's conditions to include 90 days of home confinement with location monitoring.¹ The parties agreed that if Taylor completed the 90-day period with no issues, he would continue on supervision under all previously imposed conditions; if Taylor sustained further court-reported violations, the government and probation would be free to ask for a custodial sentence.

Taylor's continued revocation hearing is set for February 26, 2021. The parties have conferred, and Taylor has successfully completed the 90-day period.

¹ ECF No. 62.

1 The parties therefore jointly request that this Court vacate the continued
2 revocation hearing and continue Taylor's supervision under all previously
3 imposed conditions. Additionally, that the petition and addendum (ECF Nos. 49,
4 50) be dismissed without prejudice.

5 DATED: February 25, 2021.
